

## Seneca Web Site Hosting

Because Seneca is a web host reseller, clients who choose to host with us get the best of both worlds: Local support and expert administration from us, and reliance on the technical sophistication and high-end, secure equipment of the established dedicated web hosting company we've been working with for years, AITCOM.net in North Carolina.

### Features:

UNIX (Linux/Apache) Web Server dedicated to Seneca clients only  
Up to 250 MB of disk space for your site  
Up to 30 GB of data transfer per month  
Up to 25 pop e-mail addresses, free aliasing and auto-forwards  
OC-12/T3 Connectivity  
UPS & Generator Backup  
Full password-protected access to your FTP directory  
Cgi-bin for your server-side scripts  
Browser-based server log graphical analyzer  
24-hour technical support (from us and toll-free from the web host)  
Browser-based trouble ticket system  
PHP4/MySQL (\$50 one-time installation fee)  
Mirrored domains (\$20 one-time set-up fee and \$10/mo. hosting per each add'l domain)

**Initial transfer/set-up of your web site:** \$100.00 (assumes you've secured a domain name)

### Monthly hosting fees:

Small/personal site: \$25/mo.  
General business site (most of our clients are in this category): \$50/mo.  
Dynamic site (PHP4/MySQL): \$70/mo.  
E-Commerce site: \$100/mo.  
E-Commerce, database-driven sites: \$150 – \$250 mo.  
*Some specially configured sites may require a different fee than above*

### To start hosting with Seneca, we will need:

- Your signed copy of the Hosting Agreement (we will e-mail this to you on request)
- All pertinent information regarding your current domain name registration
- Set-up fee and up to 3 months of hosting fees, depending on when you start

### Ongoing billing:

We bill for web hosting on a quarterly basis in advance. You are free to cancel any time and we will reimburse you for unused whole months (unless you've signed a long-term contract). If you've opted for a Web Site Maintenance plan from us (see the separate info sheet for details), this retainer is also billed quarterly in advance and will be included in the hosting invoices.
